Greetings from **AORA INDIA 2024 Conference Secretariat!!**

It gives us immense pleasure inviting you to the upcoming 14th Annual Conference of Academy of Regional Anaesthesia of India "AORA INDIA 2024" scheduled on **August 22 (CME), 23 & 24 (Conference) & 25 (Post Conference Workshops), 2024 at HITEX, Hyderabad.**

We expect approximately 1500 delegates from all over India, Asia and Africa. Several distinguished International and National Faculty, totalling about 75, will participate in this prestigious conference. AORA Annual Conferences have laid the benchmark for excellence owing to the emphasis on scientific content, latest technological developments and useful professional and social interactions. Adding further to the appeal are focused tracks for chronic pain, POCUS and master classes on select topics of interest.

The Conference website www.aoraindia2024.com has been activated and we are certain to generate excellent enthusiasm from participating faculty and delegates towards products on display by the medical industry. **This conference will serve as an ideal platform for your existing and new products in the pipeline, professional networking opportunities and brand building among national and international delegates.**

In order to give maximum corporate visibility to the companies, we have worked out various sponsorship packages. The stalls will be erected in the air-conditioned and sprawling hangar 2 of HITEX, through which there will be access to dining area, enabling maximum exposure to delegates and faculty. The Organizing Committee is open to receive, discuss and finalize unique ideas of sponsorship, which may add value to the success of this conference.

The Organizing Committee looks forward to your esteemed presence at **AORA INDIA 2024. We request you to participate in this meeting for mutual benefit and to ensure the GRAND SUCCESS of this prestigious conference.**
